**TERMINAL DISCLAIMER TO OBVIATE A DOUBLE PATENTING
REJECTION OVER A PRIOR PATENT**

Docket Number: HRT0279

In re Application of: Stephen W. Boyd et al.
Application No.: 09/982,502
Filed: October 18, 2001
For: Devices and Methods for Port-Access Multivessel Coronary Artery Bypass

The owner, Heartport, Inc., of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior Patent No. 6,494,211. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

Check either box 1 or 2 below, if appropriate.

☐ For submissions on behalf of an organization (e.g., corporation, partnership, university, government agency, etc.), the undersigned is empowered to act on behalf of the organization.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

☒ The undersigned is an attorney or agent of record.

HRT 279

REMARKS

Claims 1-17, 19 and 21-25 are pending in this application. 18, 20 and 26-44 are canceled.

The Examiner rejected claims 1-17, 19 and 21-25 under the judicially created doctrine of obviousness type double patenting as being unpatentable over the claims 1-40 of US Patent No. 6494211 in view of Boyd (5799661). Without commenting on the basis of the rejection, Applicants submit terminal disclaimers for the above patents to overcome the rejection, and as such request the Examiner to withdraw the rejection.

In the event that it becomes necessary to charge additional extension fees or any additional charge, Applicants hereby permit the Commissioner to charge the Deposit Account No. 10-0750/HRT279/BST.

Respectfully submitted,

By: /Brian S. Tomko/
